

# Lesson In Leavin'

Jo Dee Messina

Somebody's gonna give you a lesson in leavin'  
Somebody's gonna give you back what you've been givin'  
And I hope that I'm around  
To watch 'em knock you down  
It's like you to love 'em and leave 'em  
Just like you loved me and left me  
It's like you to do that sort of thing  
Over and over again  
You're a fool-hearted man I hear you've been askin' about me  
From some of my friends  
Well you'd better believe I'm not goin'  
Through that again  
You're the kind of man a woman thinks she can change  
Oh, but the only thing changin' is my way of thinkin'  
And I'm thinkin' that maybe someday  
Somebody's gonna give you a lesson in losin'  
Somebody's gonna do to you what you've been doin'  
And I hope that I'm around  
To watch 'em knock you down  
Somebody's gonna give you a lesson in hurtin'  
Somebody's gonna leave you with your fire burnin'  
And no way to put it out  
Baby there ain't no doubt  
You're a fool-hearted man Yeah, you're the kind of man  
A woman thinks she can change  
But the only thing changin'  
Is my way of thinkin'  
And I'm thinkin' that maybe someday  
Somebody's gonna give you a lesson in leavin'  
Somebody's gonna give you back what you've been givin'  
And I hope that I'm around  
To watch 'em knock you down (oh)  
It's like you to love 'em and leave 'em  
Just like you loved me and left me  
It's like you to do that sort of thing  
Over and over again  
You're a fool-hearted man Somebody's gonna give you a lesson in leavin'  
Somebody's gonna give you back what you've been givin'  
And I hope that I'm around  
To watch 'em knock you down  
It's like you to love 'em and leave 'em  
Just like you loved me and left me

It's like you to do that sort of thing  
Over and over again  
You're a fool-hearted man Oh, a fool-hearted man  
Oh, whoa  
Oh, a fool-hearted man
