

# Middle of a Memory

Cole Swindell

[Verse 1]

Baby, it just took one look at you  
For me to change my one drink order to two  
Like we already knew each other  
Like we've been talking all night  
About a minute into our first dance  
We got blindsided by your friends  
All in a hurry like you had to go  
Didn't they know you can't leave someone  
Girl, you can't leave someone

[Chorus 1]

In the middle of a dance floor all alone  
In the middle of an old school country song  
Right when I was just about to lean on in  
Why'd you have to go then?  
Baby, in the middle of the glow of the neon light  
It shoulda, coulda, woulda been the night of our lives  
Girl, it ain't right, no  
How you gonna leave me right in the middle of a memory?

[Verse 2]

We were gonna dance 'till they shut it down  
People'd be staring while I spin you 'round  
Thinking we were so in love, yeah  
They wouldn't know we hadn't even hooked up  
I'd get your number and I'd give you mine  
And we'd be hanging out tomorrow night  
But now I don't know where you are  
I'm under these lights right here in the dark

[Chorus 1]

In the middle of a dance floor all alone  
In the middle of an old school country song  
Right when I was just about to lean on in  
Why'd you have to go then?  
Baby, in the middle of the glow of the neon light  
It shoulda, coulda, woulda been the night of our lives  
Girl, it ain't right, no

How you gonna leave me in the middle of a memory? yeah

[Bridge]

Yeah, it's like you walked right out in the middle of a movie  
Tore the back half out of a book  
And no, you'll never know, girl, what you did to me  
It ain't right saying goodbye

[Chorus 2]

In the middle of a dance floor all alone  
In the middle of what could've been our song  
Right when I was just about to lean on in  
Why'd you have to go then?  
Baby, in the middle of the glow of the neon light  
It shoulda, coulda, woulda been the night of our lives  
But, girl, it ain't right, no  
How you gonna leave me right in the middle of a memory?  
In the middle of a memory  
In the middle of a memory
