

Who I Am With You

Chris Young

I've been rollin stones, all my life
Flyin all alone, flyin blind
I've seen it all, I've been around
I've been lost and I've been found But who I am with you is who I really wanna be
You're so good for me
And when I'm holding you
It feels like I got the world in my hands
Yeahh a better man it's who I am with you
I've got a ways to go, on this ride
But I got a hand to hold, it fits just right
You've made me laugh, you made me high
You've made me wanna hold on tight But who I am with you is who I really wanna be
You're so good for me
And when I'm holding you
It feels like I got the world in my hands
Yeahh a better man it's who I am with you
Who I am with you
Because of you I'm a lucky man
And you're the best part of who I am
Who I am with you is who I really wanna be
You're so good, so good for me baby
And when I'm holding you
It feels like I got the world in my hands
Yeahh a better man it's who I am with you
Yeah its who I am with you
