

# Nobody To Blame

Chris Stapleton

She took down the photograph  
Of our wedding day  
Ripped it down the middle  
And threw my half away  
And I got nobody to blame but me  
I got nobody to blame but me  
She broke all my fishing rods  
Put my guns in hock  
Threw my clothes out in the yard  
And changed out all the locks  
And I got nobody to blame but me  
I got nobody to blame but me  
I know right where I went wrong  
I know just what got her gone  
Turned my life into this country song  
And I got nobody to blame but me I got nobody to blame but me She fired up my old hot rod  
Ran it in the pond  
Put sugar in my John Deere  
I can't even mow my lawn  
And I got nobody to blame but me  
I got nobody to blame but me  
She built her a bonfire  
With my old six string  
Took all my good whiskey And poured it down the drain  
And I got nobody to blame but me  
I got nobody to blame but me  
I know right where I went wrong  
I know just what got her gone  
Turned my life into this country song  
And I got nobody to blame but me  
I got nobody to blame but me, nobody to blame but me, I got nobody to blame but me!
