

# Umbrella (feat. Tyler Ward)

Alex Goot

You had my heart we'll never be worlds apart maybe in magazines but you'll still be my star baby  
cause in the dark you can't see shiny cars that's when you need me there with you i'll always  
share because when the sun shines we'll shine together told you i'll be here forever said i'll always  
be your friend took an oath that i'ma stick it out till the end now that it's raining more than  
ever know that we'll still have each other you can stand under my umbrella you can stand under  
my umbrella ella ella eh eh eh under my umbrella ella ella eh eh eh all these fancy things will  
never come in between you follow my entity if for infinity when the war has took its part and the  
world has dealt its cards and if the ... is hard together we'll mend your heart because when the sun  
shines we'll shine together told you i'll be here forever said i'll always be your friend took an oath  
i'ma stick to it out till the end now that it's raining more than ever know that we'll still have  
each other you can stand under my umbrella you can stand under my umbrella ella ella eh eh  
eh under my umbrella ella ella eh eh eh under my umbrella ella ella eh eh eh under my umbrella  
ella ella eh eh eh under my umbrella you can ride into my arms sits ok don't be alone come into  
me there's no distance in between our ... go on and let the rain pour i'll be all you needed most  
more because when the sun shines we'll shine together told you i'll be here forever said i'll always  
be your friend i took an oath i'ma stick it out till the end now that it's raining more than ever know  
that we'll still have each other you can stand under my umbrella you can stand under my umbrella  
ella ella eh eh eh under my umbrella ella ella eh eh eh under my umbrella ella ella eh eh eh under  
my umbrella ella ella eh eh eh under my umbrella
