

# Cut to the Feeling

Carly Rae Jepsen

I had a dream, or was it real?  
We crossed the line and it was on  
(We crossed the line, it was on this time)  
I've been denying how I feel  
You've been denying what you want  
(You want from me, talk to me baby) I want some satisfaction, take me to the stars  
Just like, "ahhh"  
A-a-ahhh! I wanna cut through the clouds, break the ceiling  
I wanna dance on the roof, you and me alone  
I wanna cut to the feeling, oh yeah  
I wanna cut to the feeling, oh yeah  
I wanna play where you play with the angels  
I wanna wake up with you all in tangles, oh  
I wanna cut to the feeling, oh yeah  
I wanna cut to the feeling, oh yeah  
Cancel your reservations  
No more hesitations, this is on  
(Can't make it stop, give me all you got)  
I want it all or nothing  
No more in-between, now give your  
(Everything to me, let's get real baby) A chemical reaction, take me in your arms  
And make me, "ahhh"  
A-a-ahhh! I wanna cut through the clouds, break the ceiling  
I wanna dance on the roof, you and me alone  
I wanna cut to the feeling, oh yeah  
I wanna cut to the feeling, oh yeah  
I wanna play where you play with the angels  
I wanna wake up with you all in tangles, oh  
I wanna cut to the feeling, oh yeah  
I wanna cut to the feeling, oh yeah  
Take me to emotion, I want to go all the way  
Show me devotion and take me all the way  
Take me to emotion, I want to go all the way  
Show me devotion and take me all the way  
All the way, all the way, all the way  
Take me all the way, a-a-ahhh! I wanna cut through the clouds, break the ceiling  
I wanna dance on the roof, you and me alone  
I wanna cut to the feeling, oh yeah  
I wanna cut to the feeling, oh yeah  
I wanna play where you play with the angels  
I wanna wake up with you all in tangles, oh  
I wanna cut to the feeling, oh yeah

I wanna cut to the feeling, oh yeah I wanna cut through the clouds  
Mmm, cut to the feeling  
I wanna dance on the roof, oh oh oh, yeah  
I wanna cut to the feeling, I wanna cut to the feeling  
I wanna cut to the feeling, I wanna cut to the feeling
