

Solitaire (feat. Migos & Lil Yachty)

Gucci Mane

[Intro: Gucci Mane]

Burr

I'm out pussy

It's your worst nightmare

Glacier

Ha[Chorus: Gucci Mane]

I was just sittin' in a cell playin' solitaire

Now they see me everywhere, brush they full of solitaires

Solitaire, solitaire, neck, ear, solitaire

Bad bitch won me a lot of deal, say she love them solitaires[Verse 1: Takeoff]

4 mil for the crib, 1.5 just to keep me chill (1.5)

To my neighbors here, Jack and Jill, still trot up the hill (through the hill)

Fiji water, talkin' Aquafina glass, crystal clear

Ice there, ice here, I just iced the atmosphere

[Verse 2: Quavo]

Huncho

I'm walkin' real light (walk)

It's somethin' like skatin' on ice (skate)

Yo hoe wanna fuck my vibe (sheesh)

Huncho Brett Favre, throw pies (Huncho)

Try the gang, and we dumpin' (dump)

Glacier Boy it's a global warmin' (yeah)

Now everybody wanna come join in (gang)

Niggas born in, and ain't sworn in[Chorus: Gucci Mane]

I was just sittin' in the cell playin' solitaire (huh)

Now they see me everywhere, brush they full of solitaires (Wop)

Solitaire, solitaire, neck, ear, solitaire

Bad bitch won me a lot of deal, say she love them solitaires (mwah)

[Verse 3: Lil Yachty]

Bitch I don't play no solitaire, I'm a fuckin' millionaire

Trap stars everywhere (trap)

Bad hoes everywhere (bad)

Right wrist quarter million dollars, that's no lie

Left wrist, all Piguets, I put it in the sky[Verse 4: Gucci Mane]

Burr, burr

All my stones single me, they ain't with the mingling

Damn that's Mr. [?], but we ain't with that kinky shit

Wop be on that Nicki shit, my whole clique robbin'

Lookin' at the robbers like, Y'all ain't finna take shit

Glacier Boy, amazin' shit, yeah jeweler ain't up on this

Crazy diamond bracelet, I'm jealous of my own wrist

If you ain't spend a million yet, you probably won't agree with this
