Autumn Leaves

Ed Sheeran

Another day, another life
Passes by just like mine
It's not complicatedAnother mind, another soul
Another body to grow old
It's not complicatedDo you ever wonder if the stars shine out for you?Float down
Like autumn leaves
And hush now
Close your eyes before the sleep
And you're miles away
And yesterday you were here with me
Another tear, another cry
Another place for us to die
It's not complicatedAnother love that's gone to waste
Another light lost from your face
It's complicatedIs it that it's over or do birds still sing for you?Float down
Like autumn leaves
And hush now
Close your eyes before the sleep
And you're miles away
And yesterday you were here with meOoh, how I miss you
My symphony played the song that carried you out
And ooh how I miss you
And I miss you and I wish you'd stay
Do you ever wonder if the stars shine out for you?Float down
Like autumn leaves
And hush now
Close your eyes before the sleep
And you're miles away
And yesterday you were here with me(Mmm-mm-mmh, mm-mmh
Mmm-mm-mmh, mm-mmh)
(Mmm-mm-mmh, mm-mmh
Mmm-mm-mmh, mm-mmh)Touch down
Like a seven four seven
Stay out
And we'll live forever now.
