

# Tell the World (feat. Mali Music)

Lecrae

Now, I'mma tell the world, tell 'em  
I'mma tell it everywhere I go  
Tell the world, tell 'em  
Yeah, I'm a billboard  
Tell the world, tell 'em  
And I'm broadcastin' like a radio  
Tell the world  
You ought to know, I'm brand new I know one thing's true: I don't even really deserve to know  
you  
But, I-I'm a witness that you did this, and I'm brand new  
So, I-I'm read' to go, and I'mma tell the world what they need to know  
A slave to myself, but you let me go  
I tried getting high but it left me low  
You did what they could never do  
You cleaned up my soul and  
Gave me new life  
I'm so brand new  
And that's all that matters  
I-I ain't love you first, but you first loved me  
In my heart I cursed you, but you set me free  
I gave you no reason to give me new seasons  
To give new life, new breathing  
But you hung there bleedin'  
And ya' died for my lies and my cheatin'  
My lust and my greed (and, Lord!)  
What is a man that you mindful of him?  
And what do I have to deserve this lovin'? Tryna make the moments last  
Holdin' on to the past But, like a hero in a dream  
Christ came, and he rescued me Now, I'mma tell the world  
Tell the world, tell 'em  
I'mma tell it everywhere I go Tell the world, tell 'em  
Yeah, I'm a billboard  
Tell the world, tell 'em And I'm broadcastin' like a radio  
Tell the world  
You ought to know, I'm brand new  
I can't offer you nothin', but your care & kindness keeps comin'  
And your love is so unconditional, I get butterflies in my stomach  
I got the old me in the rearview, now the new me got a clear view  
And I was so dead, I couldn't hear you  
Too deep in sin to come near you  
But you drew me in, you cleaned me up  
So take me home, beam me up

Before you do, just let me tell the truth  
And let these folks know that I done seen ya' love  
And it's everlasting, infinite, it goes on and on, you can't measure it  
Can't quench ya' love, they can't separate us from the love of God There's no estimate  
My face look the same, my frame ain't rearranged  
But I'm changed I promise I ain't the same  
Your love's so deep you suffered and took pain  
You died on the cross to give me a new name  
Ain't nothing like I've seen before, I got a beaming glow  
I was low, down, and dirty, but you cleaned me, Lord  
You adopted me, you keep rocking me  
I'mma tell the world, and ain't nobody stopping me!  
Tryna make the moments last  
Holdin' on to the past  
But, like a hero in a dream  
Christ came, and he rescued me  
Now, I'mma tell the world  
Tell the world, tell 'em  
I'mma tell it everywhere I go  
Tell the world, tell 'em  
Yeah, I'm a billboard  
Tell the world, tell 'em  
And I'm broadcastin' like a radio  
Tell the world  
You ought to know, I'm brand new Now, I'mma tell the world  
Tell the world, tell 'em  
I'mma tell it everywhere I go  
Tell the world, tell 'em  
Yeah, I'm a billboard  
Tell the world, tell 'em  
And I'm broadcastin' like a radio  
Tell the world  
You ought to know, I'm brand new
