A feeling that I know so well, well
Oh it's got me in its spell
A feeling that I know so well, well
Oh it's got me in its spell (Oh)
A feeling that I know so well, well
Oh it's got me in its spell
It's such a sweet sensation, oh, oh
(One sensation)

Get down, get up again
Come on, come on, move
Get down, get up again
Working you in overtime
Down, get up again

Get down, get up again

Working you in overtime

(You got me, you got me)
A feeling that I know so well (So good, so good)

A feeling that I know so well (Whoa! Whoa!)
Oh it's got me in its spell (Whoa! Whoa!)
Oh a feeling that I know so well
You got me burning up (with your love)
Oh it's got me in its spell
A feeling that I know so well

A feeling that I know so well
Oh it's got me in its spell
A feeling that I know so well

Oh it's got me in its spell
