

Come Home (feat. Sara Bareilles)

OneRepublic

Hello world
Hope you're listening
Forgive me if I'm young
For speaking out of turn
There's someone I've been missing
I think that they could be
The better half of me
They're in the wrong place trying to make it right
But I'm tired of justifying
So I say to you.
Come home
Come home
Cause I've been waiting for you
For so long
For so long
Right now there's a war between the vanities
But all I see is you and me
The fight for you is all I've ever known
So come home Oh I get lost in the beauty
Of everything I see
The world ain't half as bad
As they paint it to be
If all the sons
All the daughters
Stopped to take it in
Well hopefully the hate subsides and the love can begin
It might start now, yeah
Well maybe I'm just dreaming out loud
Until then... Come home
Come home
Cause I've been waiting for you
For so long
For so long
Right now there's a war between the vanities
But all I see is you and me
The fight for you is all I've ever known Ever known
So come home
Oh Everything I can't be
Is everything you should be
And that's why I need you here Everything I can't be
Is everything you should be
And that's why I need you here

So hear this now...Come home
Come home
Cause I've been waiting for you
For so long
For so long
Right now there's a war between the vanities
But all I see is you and me
The fight for you is all I've ever known
Ever known
So come home
Come home
