

Good and Broken

Miley Cyrus

Songwriters: James, Tim; Cyrus, Destiny Hope; Armato, Antonina;

All you overloaded, candy coated?

Your life's imploding now

There's a risk worth taking, a pain worth aching

On this hollow ground

We can let go

Don't hold on to all of life's hardest parts

When we think of stopping, let's keep on rocking

To the rhythm of our hearts

We can, we can break out of here

Jump on over there where the air is clearer

We can, we can forget the pace

Win in our own race, become a broken chain, yeah

We are broken chains, yeah, good and broken

Find the magic, go and grab it

Your fate is in your hands

Come on, find a reason to believe

And just tell yourself, "We can!"

We can, we can break out of here

Jump on over there where the air is clearer

We can, we can forget the pace

Win in our own race, become a broken chain, yeah

We are broken chains, yeah, good and broken

Get off your seat, on your feet

Raise your hands, feel the beat

Let it go, lose control

Feel it in your soul

Don't you know what you can do

If you have faith in you

Let's not be invisible

There's no red light in life, just go!

We can, we can break out of here

Jump on over there where the air is clearer

We can, we can forget the pace

Win in our own race, become a broken chain, yeah

We are broken chains, yeah, good and broken

We can, we can, yeah!

Oh we can, oh we can, oh we can, oh we can

Oh we can

Oh we can, oh we can, oh we can, oh we can

Oh we can

Oh we can, oh we can, oh we can, oh we can

Oh we can

Good and broken
