

# Beautiful

## Gordon Lightfoot

At times I just don't know  
how you could be anything but beautiful

I think that I was made for you  
and you were made for me

And I know that I will never change  
cause we've been friends through rain or shine  
for such a long, long time

Laughing eyes and smiling face  
it's seems so lucky just to have the right  
of telling you with all my might  
You're beautiful tonight

And I know that you will never stray  
cause ya been that way from day to day  
for such a long, long time

And when ya hold me tight  
how could life be anything but beautiful?  
I think that I was made for you

and you were made for me

And I know that I will never change  
cause we've been friends through rain or shine  
for such a long, long time

And I must say that it means so much to me  
just to be the one who's telling you  
I'm telling you  
that you're beautiful
