

Wipe Your Eyes

Maroon 5

[Verse 1]

I'm afraid that I gotta do what I gotta do
But if I let you go, where you gonna go?
We gotta make a change, time to turn the page
Something isn't right, I don't wanna fight you
We've been through tougher times, you know it gets worse
We can turn this around, please let me be first
And as I feel your tears spilling on my shirt
Something isn't right and I don't wanna fight you

[Chorus]

Hey you, come over and let me embrace you
I know that I'm causing you pain too
But remember if you need to cry
I'm here to wipe your eyes
Tonight, before you fall asleep
I run my thumb across your cheek (across your cheek)
Cry, 'cause I'm here to wipe your eyes
I know I made you feel this way
You gotta breathe, we'll be okay (be okay)
Cry, 'cause I'm here to wipe your eyes

[Break]

Oh, oh, 'cause I'm here to wipe your eyes

[Verse 2]

When did we cross the line? How could we could forget
Why did we let the pressure get into our heads?
Your broken heart requires all of my attention
'Cause something isn't right, I don't wanna fight you

[Chorus]

Hey you, come over and let me embrace you
I know that I'm causing you pain too
But remember if you need to cry
I'm here to wipe your eyes
Tonight, before you fall asleep
I run my thumb across your cheek (across your cheek)
Cry, 'cause I'm here to wipe your eyes
I know I made you feel this way

You gotta breathe, we'll be okay (be okay)
Cry, 'cause I'm here to wipe your eyes

[Bridge]

Please don't lose your faith
Don't worry cause I'm here to keep you safe
I promise if you let me see your face
That I won't let you down, I won't let you down

[Break]

I'm here to wipe your eyes

[Chorus]

Tonight, before you fall asleep
I run my thumb across your cheek (across your cheek)
Cry, 'cause I'm here to wipe your eyes
I know I made you feel this way
You gotta breathe, we'll be okay (be okay)
Cry, 'cause I'm here to wipe your eyes
