

# Neither Do I (feat. Jeremih)

Stwo

Yeah

Let's take off the top, go hit the club

Do you know what it feels like to fall in love?

Take off your top, ready to fuck (girl), yeah

Do you know what it feels like to fall in love, girl? Neither do I

I say we find out, cover your eyes

Well go turn the lights out

I know you want it from the way you like to move, girl

Why you frontin' like you ain't got nothing to lose, girl? Yeah

I'm just tryna make a move girl

Get you in the nude girl, yeah

I remember days when

This wouldn't go the same, before I was famous

It's true we out here chasing bitches

Now I'm done with that

I came up and now I'm rich

I got somethin' wrong with that

But you different than these women

Got me coming back

Can't let anybody have you

Can't have none of that, yeah Let's take off the top, go hit the club

Do you know what it feels like to fall in love?

Take off your top, ready to fuck (girl)

Do you know what it feels like to fall in love?

Let's take off the top, go hit the club

Do you know what it feels like to fall in love?

Take off your top, ready to fuck (girl)

Do you know what it feels like to fall in love?

Neither do I

I say we find out, cover your eyes

Well go turn the lights out

I know you want it from the way you like to move, girl

Why you frontin' like you ain't got nothin' to lose, girl? Yeah

I'm just tryna make a move, girl

Get you in the nude girl

Yeah, yeah Do you ever think about me when I'm not around?

Do you ever think about me when I'm not around?

Do you ever think about me when I'm not around?

Do you ever think about me when I'm not around? Let's take off the top, go hit the club

Do you know what it feels like to fall in love?

Take off your top, ready to fuck (girl)

Do you know what it feels like to fall in love?

Let's take off the top, go hit the club  
Do you know what it feels like to fall in love?  
Take off your top, ready to fuck (girl)  
Do you know what it feels like to fall in love?  
(To fall in love)
