

# Unknown

## Lifehouse

this doubt is screaming in my face  
in this familiar place,  
sheltered and concealed  
and if this night won't let me rest  
don't let me second guess  
what i know to be real put away  
all i know for tonight and maybe i just might learn  
to let it go take my security from me  
and maybe finally i won't have to know everything  
i am falling into grace to the unknown to where you are  
and faith makes everybody scared it's the unknown,  
the don't-know that keeps me hanging on  
to you i got nothing left to defend  
i cannot pretend that everything makes sense  
but does it really matter now if i do not know how  
to figure this thing out  
i am against myself again trying to fit  
these pieces in walking on a cloud of dust to get to you
