

Instagram (feat. Fredo Santana)

Ballout

Girl, they call me lil' Will
A blunt to flex on her, I want to chase on her
Girl, they call me lil' Will
A blunt to flex on her, I want to chase on her
I just stabbed one up, you can check my Instagram
Just follow my Instagram, you can see whatever you wanna see
Just go to my Instagram Yeah, I'm on Instagram,. is it him?
Stupid band, stupid jury, on a pit for 50 grand
Tryina cross the border, tryna get a fucking million
All these bitches want a baby, I don't wanna, trill the jam
They be coming on my piss like to you got a deal, man?
Oh hell them Ferraris looking like a million
All the strip clubs be awake, threw a million
Can't wait to play, bad thought away on my Instagram
If you want to see anything just look my Instagram
If you wanna see anything just go to my Instagram
Follow my Instagram, go to my Instagram, flex
Girl, they call me lil' Will
A blunt to flex on her, I want to chase on her
I just stabbed one up, you can check my Instagram
Just follow my Instagram, you can see whatever you wanna see
Just go to my Instagram
Girl, they call me lil' Will
A blunt to flex on her, I want to chase on her
I just stabbed one up, you can check my Instagram
Just follow my Instagram, you can see whatever you wanna see

I'm flexin', we ball out, you know we from the low
But I'm from 61st and I be selling
It's bursting from the weed, you know we with it
Call a train, salvager, then you bring a honey drips
Had a tailor drank his bottle, them coppers, they know
Had a dealer set you up, badass these, fuck you up
We don't get enough, we don't get enough
I've been flexin' like a motherfucker the last few days
If you looking for me, check my page Girl, they call me lil' Will
A blunt to flex on her, I want to chase on her
Girl, they call me lil' Will

A blunt to flex on her, I want to chase on her
