

Wait for Life (feat. Lana Del Rey)

Emile Haynie

Why you make me work so hard to put on that evening show
When you know that all I want is to make your money grow?
You're like a baby who don't got nowhere to go

I feel you eyeing me
You keep it on the low
But I can't let you in
And I can't keep you out
I wait for life to win
But it never comes around
And I can't hear you call
And I can't hear me shout
I wait for it to break
But it never comes around
And I'm lonely
I'm lonely
I'm lonely

Why you make me take that sh*t to put on that everning show
When you know I don't need it?
Better than your version blow
You're like a baby, don't know better
You don't know

You drag me down, you try to keep it on the low
But I can't let you in
And I can't keep you out
I wait for life to win
But it never comes around
And I can't hear you call
And I can't hear me shout
I wait for it to break
But it never comes around
Feel like I'm falling apart
Feel like I'm falling apart
Feel like I'm falling apart
Would you tell me?
Would you tell me?
Would you tell me?
But I can't let you in
And I can't keep you out
I wait for life to win
But it never comes around
And I can't hear you call
And I can't hear me shout

I wait for it to break
But it never comes around
And I'm lonely
I'm lonely
I'm lonely
