

Tie Me Down

New Boyz

Hey, Hey (aye, aye) She ain't gon' Tie Me Down. She ain't gon' Tie Me Down. 'Cause She ain't gon' Tie Me Down.

Why you on the road?

Buyin' all the shirts, all the hats, all the clothes

What you want right now

What up right now

I think you need to close yo' mouth 'Cause you ain't gon' Tie Me Down, Tie Me Down, Tie Me Down

You ain't gon' Tie Me Down.

You know we been together for a minute

But a, it's kinda been forever since we been in

The kinda situation not involvin' other women

& it's pretty obvious that your kinda trippin' like

"Who the hell is this bitch lookin' a hot mess

What you fell for this chick"

You know we got problems & you failed to fix it

I'm like "You need to go somewhere else with this shit

'Cause I ain't gon' put up with you

Talkin' 'about how she make you uncomfortable

I mean, shit I'm only 17

& um, a perfect couples only in a dream

& right now I'm pretty much away for this relationship I think we should wait for it

I mean later we can try things out

But not right now.

'Cause She ain't gon' Tie Me Down.

Why you on the road?

Buyin' all the shirts, all the hats, all the clothes

What you want right now What up right now

I think you need to close yo' mouth

'Cause you ain't gon' Tie Me Down, Tie Me Down, Tie Me Down

You ain't gon' Tie Me Down. Ha, Ha.

Aye girl waddup?

No I'm not gon' make a scene

Buh you can't tie me down like a pair of shoe strings

Yeah you cute, so what

But let's get it through your head

Yeah we make love, sex weed all in the bed

It's the best & I love her but things don't change

When I'm not faithful you be feelin' my pain

Now you stuck like a stain & I can't believe that

Baby girl 100, I ain't tryin' to do that

Got too many girls & I ain't lettin' go

'Cause my life is great & you ain't nothin' but a hoe
Yeah you come to my shows & you very supportive Just showed me a camera & my show
recorded

It was nice, I'm surprised that you still standin' here
As you know I'm a man & I have no feelings
I'm a start from the top, girl this ain't no lovin'
I'm a New Boy, girl so. She ain't gon' Tie Me Down.
Why you on the road? Buyin' all the shirts, all the hats, all the clothes
What you want right now What up right now
I think you need to close yo' mouth
'Cause you ain't gon' Tie Me Down, Tie Me Down, Tie Me Down
You ain't gon' Tie Me Down. She ain't gon' Tie Me Down.
Why you on the road?
Buyin' all the shirts, all the hats, all the clothes
What you want right now
What up right now
I think you need to close yo' mouth
'Cause you ain't gon' Tie Me Down, Tie Me Down, Tie Me Down
You ain't gon' Tie Me Down
You ain't gon' Tie Me Down.
