

# I Like It Loud

## Cash Cash

[Chorus]

Get this night off right  
And turn the bass up  
Blow my eardrums up  
Just like a firetruck  
Get this night off right  
And turn the bass up  
Yeah, I like it loud  
I like it loud

[Verse]

You know I like it loud  
Can't hear a fucking sound  
My ears are ringing now  
'Cause that's how we get down

[Post-Chorus]

Now move your body, so the rhythm can set you free  
Another round, and we can drown out our hearts' beating  
Just like a drug, I let the music set me free  
I like it loud, I like it loud

[Chorus]

Get this night off right  
And turn the bass up  
Blow my eardrums up  
Just like a firetruck  
Get this night off right  
And turn the bass up  
Yeah, I like it loud  
I like it loud

Shaking through your legs, the way the sub drops  
Feel it in your chest, the way your heart stops  
Get this night off right  
And turn the bass up  
Yeah, I like it loud  
I like it loud

[Post-Chorus]

Now move your body, so the rhythm can set you free

Another round, and we can drown out our hearts beating  
Just like a drug, I let the music set me free  
I like it loud, I like it loud  
I like it loud, I like it loud

[Verse]

You know I like it loud  
Can't hear a fucking sound  
My ears are ringing now  
'Cause that's how we get down

[Breakdown]

And turn the bass up  
Bass up, bass up  
And turn the bass up  
Bass up, bass up

[Chorus]

Get this night off right  
And turn the bass up  
Blow my eardrums up  
Just like a firetruck  
Get this night off right  
And turn the bass up  
Yeah, I like it loud  
I like it loud  
Shaking through your legs, the way the sub drops  
Feel it in your chest, the way your heart stops  
Get this night off right  
And turn the bass up  
Yeah, I like it loud  
I like it loud  
Yeah, I like it loud  
I like it loud

[Post-Chorus]

Now move your body, so the rhythm can set you free  
Another round, and we can drown out our hearts beating  
Just like a drug, I let the music set me free  
I like it loud, I like it loud  
I like it loud, I like it loud  
Yeah, I like it loud, I like it loud
