

If I Were You (feat. Keith Urban)

Jillian Jacqueline

[Verse 1: Jillian Jacqueline]

You're like some kinda lightning

You say all of the right things

You got me coming alive

After all of the hurt I've had

[Pre-Chorus: Jillian Jacqueline]

Hate how he's still got me

Blame it on bad timing

You shouldn't come so close

When you're looking at me like that

[Chorus: Jillian Jacqueline & Keith Urban]

If I were you

I would be running, I would be leaving now

If I were you I wouldn't look back

Oh, but I want you to

Keep me in the back of your mind

Maybe call me up sometime

In a couple-a years if you haven't found somebody new

That's what I would do

If I were you

[Verse 2: Jillian Jacqueline]

You wish I didn't miss him

And I wish I could kiss you

And have you be the only one that I'm thinking about

And I'm not strong enough to

Resist for the both of us

[Pre-Chorus: Jillian Jacqueline & Keith Urban]

If you stay I'm gonna break your heart

I would make it stop before it starts

[Chorus: Jillian Jacqueline & Keith Urban]

If I were you

I would be running, I would be leaving now

If I were you I wouldn't look back

Oh, but I want you to

Keep me in the back of your mind

Maybe call me up sometime

In a couple-a years if you haven't found somebody new

That's what I would do

If I were you

[Bridge: Jillian Jacqueline & Keith Urban]

Who could do without you?

Baby, I have no doubt

You'll have found somebody else

By the time I figure it out

[Pre-Chorus: Jillian Jacqueline]

That's what I would do, mmm

If I were you

[Chorus: Jillian Jacqueline & Keith Urban]

If I were you

I would be running, I would be leaving now

If I were you I wouldn't look back

Oh, but I want you to

Keep me in the back of your mind

Maybe call me up sometime

In a couple-a years if you haven't found somebody new

That's what I would do

If I were you
