

For Once In My Life

Scotty McCreery

For once in my life, I have someone who needs me
Someone I've needed so long
For once, unafraid, I can go where life leads me
And somehow I know I'll be strong

For once I can touch, what my heart used to dream of
Long before I knew
Someone warm like you
Would make my dreams come true

For once in my life, I won't let sorrow hurt me
Not like it's hurt me before
For once, I have something
That I know won't desert me anymore

For once, I can say, this is mine, you can't take it
As long as I know I have love, I can make it
For once in my life
Well, I have someone who needs me

Well, I have someone who needs me
Well, I have someone who needs me

For once, I can say, this is mine, you can't take it
As long as I know I have love, I can make it
For once in my life
Well, I have someone who needs me

Well, I have someone who needs me
Well, I have someone who needs me
