

# Summer Swim

George Clinton

It's 12 o'clock, do you know where your baby is  
Someone outta chalk the mind that freed me up to mine  
But booties have the right away  
The light of day  
Plays on your imagination  
On the beach suited and booty flossing bathing suits  
Tube checking, it's not as simple as a TAPOAFOM  
It's a strange thing  
Booty see booty do  
Yeah  
Slow walking packing with nothing lacking  
Ooh baby, you got all that won't do nothing mad of you  
Can you drown sink or swim sue  
Can you drown sink or swim sue  
On the beach, and she's looking cute  
On the beach, and you're looking cute  
Where the booty's have the right away  
Although I might be hot  
All the girls just be playin' that cool  
To the max  
You can see them in the light of day  
Where the booties have the right way  
And you have to sneak a peak  
Cause booty beautiful obstructing your view  
Wow, maximum booties  
Fish better be glad you don't use booty for a bait  
There is no more balling and stalling we don't hesitate  
Plenty many kitties on maxy booty  
You can see them in the light of day  
Maximum looters do yo your duty  
Booty see booty do let's all  
Take a summer swim  
Take a summer swim  
Will you come and wade in the water with me  
What you see is what you would like to get  
By the pool booty's flossing you can bet  
And the girls don't be lacking  
Cos' the fellas they be packing it too  
Man, the girls ain't lacking the fellas maybe packing too  
For all we know is booty's show and tell  
And believe us the booty shows so well  
How d'you get all you got into what you in and wearing on you

Fish better be glad you don't use booty for a bait  
Plenty many kitties on maxy booty  
Maximum looters do your duty  
Booty see booty do let's all  
Take a summer swim  
Take a summer swim  
Will you come and wade in the water with me  
In the water lap me girl, ooh let's all  
Take a summer swim  
Take a summer swim  
Will you come and wade in the water with me  
Do the backstroke, do the backstroke  
Doggy paddle, ooh  
Summer swim...  
Fish better be glad you don't use booty for a bait  
There is no more balling and stalling we don't hesitate  
Plenty many kitties on maxy booty  
You can see them in the light of day  
Maximum looters do yo your duty  
Booty see booty do let's all  
Take a summer swim  
Take a summer swim  
Will you come and wade in the water with me  
Let's all  
Take a summer swim  
Take a summer swim  
Will you come and wade in the water with me
