

Two Story Town

Bon Jovi

I couldn't sleep
Took a walk down Second Avenue Sick of dreaming dreams that never come true
One way street and I know where its leading to
There's a "For Sale" sign on the front door of the city hall
The subway line got graffiti crawling off the wall
I could take a hit but I don't want to take the fall That's just one side of the story
In this two story town It's just the same old sights
And the same old sounds
I want to take my car and drive out of this two story town
It's the same old ship going down
I'm going down, down, down, down, down
It's a two story town
There's a girl that I sleep with
She's got ecstasy eyes
He promised her roses and American pie
I called her and my demons And I kissed them both goodbye
Seven days of Monday morning In a two story town
It's just the same old sights
And the same old sounds
I want to take my horse and ride him off this merry-go-round
It's the same old ship going down I'm going down, down, down, down, down
It's a two story town One shot to make a move now The ghosts are calling me out
Guitar solo
And me I'm just one story
In a two story town
But you're never going to find me in the lost and found
It's just the same old sights
And the same old sounds
I want to take my horse and ride him off this merry-go-round It's the same old ship going down
I'm going down, down, down, down, down
It's a two story town
It's just the same old sights and the same old sounds
I want to take my horse and ride him off this merry-go-round
I won't give in and I won't back down
I'm going down, down, down, down, down
I'm never going down, down, down, down, down
I ain't going down, down, down, down, down
It's a two-story town
