

# Ohio Is for Lovers

## Hawthorne Heights

Hey there  
I know it's hard to feel like I don't care at all  
Where you are and how you feel  
Put these lights off as these wheels  
Keep rolling on and on  
(And on and on and on)  
Slow things down or speed them up  
Not enough or way too much  
(And on and on and on)  
How are you when I'm gone And I can't make it on my own  
(And I can't make it on my own)  
Because my heart is in Ohio  
So cut my wrists and black my eyes  
(Cut my wrists and black my eyes)  
So I can fall asleep tonight or die  
Because you kill me  
You know you do, you kill me well  
You like it too, and I can tell  
You'll never stop until my final breath is gone Spare me just three last words  
"I love you" is all she heard  
I'll wait for you, but I can't wait forever Spare me just three last words  
"I love you" is all she heard  
I'll wait for you but I can't wait forever And I can't make it on my own  
(And I can't make it on my own)  
Because my heart is in Ohio  
So cut my wrists and black my eyes  
(Cut my wrists and black my eyes)  
So I can fall asleep tonight or die  
Because you kill me  
You know you do, you kill me well  
You like it too, and I can tell  
You'll never stop until my final breath is gone You (you) know you do, you kill me well (kill)  
You like it too, and I can tell (me)  
You'll never stop until my (well) final breath is gone So cut my wrists (you) and black my eyes  
(kill)  
My final breath is gone (me) (well)  
And I can't make it on my own  
Because my heart is in Ohio So cut my wrists and black my eyes  
(cut my wrists and black my eyes)  
So I can fall asleep tonight or die  
Because you kill me  
You know you do, you kill me well

You like it too and I can tell  
You'll never stop until my final breath is gone  
You know you do you kill me well  
You like it too and I can tell  
You'll never stop until my final breath is gone  
You know you do you kill me well  
You like it too and I can tell  
You'll never stop until my final breath is gone  
You know you do you kill me well  
You like it too and I can tell  
You'll never stop until my final breath is gone
