

# The Zoo

## Scorpions

[Verse 1]

The job is done and I go out  
Another boring day  
I leave it all behind me now  
So many worlds away

I meet my girl, she's dressed to kill  
And all we gonna do  
Is walk around to catch the thrill  
On streets we call the zoo

[Chorus]

We eat the night, we drink the time  
Make our dreams come true  
And hungry eyes are passing by  
On streets we call the zoo

[Chorus]

We eat the night, we drink the time  
Make our dreams come true  
And hungry eyes are passing by  
On streets we call the zoo

[Verse 2]

Enjoy the zoo and walk down  
42nd Street  
You gonna be excited too  
And you will feel the heat

[Chorus]

We eat the night, we drink the time  
Make our dreams come true  
And hungry eyes are passing by  
On streets we call the zoo

[Chorus]

We eat the night, we drink the time  
Make our dreams come true  
And hungry eyes are passing by

On streets we call the zoo
