

All I Need

AWOLNATION

All I need, all, all I need
All I need, all, all I need
All I need, all, all I need All I need, all, all I need
All I need, all, all I need
All I need, all, all I need It's early in the morning
I'm laughing at the sun, mm
My mirror dissappoints me, yeah
Am I the only one? All I need, all, all I need
All I need, all, all I need
All I need, all, all I need
Is you, smiling
At me, all, all I need
All I need, all, all I need
All I need, all, all I need
Is life, love, with you
I think I'm getting closer
But the scenery's the same, yeah
Am I a disappointment?
I'll blame it on the pain, it's All I need, all, all I need
All I need, all, all I need
All I need, all, all I need
Is you, smiling
At me, all, all I need
All I need, all, all I need
All I need, all, all I need
Is life, love, with you Oh, all I need is you is all I need if you can simply believe in me and we
will be forever
Together
All I need, all, all I need
All I need, all, all I need
All I need, all, all I need
Is you, smiling
At me, all, all I need
All I need, all, all I need
All I need, all, all I need
Is you, smiling
At me, all, all I need
All I need, all, all I need
All I need, all, all I need
Is you, smiling
At me, all, all I need
All I need, all, all I need

All I need, all, all I need
Is life, love, with you
