One More Night

Maroon 5

You and I go hard at each other like we're going to war
You and I go rough, we keep throwing things and slamming the door
You and I get so damn dysfunctional, we start keeping score
You and I get sick, yeah, I know that we can't do this no moreYeah, but baby there you go
again, there you go again, making me love you
Yeah, I stopped using my head, using my head, let it all go
Got you stuck on my body, on my body, like a tattoo
And now I'm feeling stupid, feeling stupid, crawling back to youSo I cross my heart and I hope

That I'll only stay with you one more night And I know I said it a million times

But I'll only stay with you one more nightTry to tell you "no" but my body keeps on telling you "ves"

Try to tell you "stop", but your lipstick got me so out of breath
I'll be waking up in the morning, probably hating myself
And I'll be waking up, feeling satisfied but guilty as hell
Yeah, but baby there you go again, there you go again, making me love you
Yeah, I stopped using my head, using my head, let it all go
Got you stuck on my body, on my body, like a tattoo
And now I'm feeling stupid, feeling stupid, crawling back to youSo I cross my heart and I hope
to die, yeah

That I'll only stay with you one more night, oh And I know I said it a million times, yeah

But I'll only stay with you one more night, yeahYeah, baby, give me one more night Yeah, baby, give me one more night, whoa, yeah

Yeah, baby, give me one more night, oh, yeahYeah, but baby there you go again, there you go again making me love you

Yeah, I stopped using my head, using my head, let it all go Got you stuck on my body, on my body like a tattoo Yeah, yeah, yeah, yeah

So I cross my heart and I hope to die That I'll only stay with you one more night And I know I said it a million times

But I'll only stay with you one more nightSo I cross my heart and I hope to die, yeah, yeah
That I'll only stay with you one more night, yeah, yeah
And I know I said it a million times, yeah, yeah
But I'll only stay with you one more night, yeah, yeah
I don't know, whatever
