

One Foot

WALK THE MOON

[Intro]

Ooh-ooh-ooh (hey!)

Ooh-ooh-ooh (hey!)[Verse 1]

Not a soul up ahead and nothing behind

There's a desert in my blood and a storm in your eyes

Am I the king of nothing at all?

And you're the queen of nothing at all

But I remember the fight and I forget the pain

I got my hand in your pocket and my key in your chain

Am I the king of nothing at all?

And you're the queen of nothing at all

[Pre-Chorus 1]

Oh, through the wilderness

You and I will walk into the emptiness

Oh, and my heart is a mess

Is it the only defense against the wilderness?[Chorus]

Well, cross my heart and hope to die

Taking this one step at a time

I got your back if you got mine

Oh, one foot in front of the other

Ooh-ooh-ooh (hey!)

One foot in front of the other

Ooh-ooh-ooh (hey!)

One foot in front of the other[Post-Chorus]

One foot in front of the other

Ooh, all that we have is each other

One foot in front of the other

[Verse 2]

Not a soul in the road, not a star in the sky

It's a desert in my heart, and nowhere to hide

I'm your king of nothing at all

And you're my queen of nothing at all

Well, out here in the dust if you don't have trust

Ain't nothing left of us, this is the exodus

They're just testing us, they can't flex with us

They can't mess with us, they can't mess with us[Pre-Chorus 2]

Oh, through the wilderness

How come even together there can be loneliness?

Oh, our heart's a mess

But it's our only defense to brave the wilderness[Chorus]

Well, cross my heart and hope to die

Taking this one step at a time

I got your back if you got mine
Oh, one foot in front of the other
Ooh-ooh-ooh (hey!)
One foot in front of the other
Ooh-ooh-ooh (hey!)
One foot in front of the other[Post-Chorus]
One foot in front of the other
Ooh, all that we have is each other
One foot in front of the other[Pre-Chorus 2]
(Well, out here in the dust)
Oh, through the wilderness
How come even together there can be loneliness?
Oh, our heart's a mess
But it's our only defense to brave the wilderness[Chorus]
Cross my heart and hope to die
Taking this one step at a time
I got your back if you got mine
Oh, one foot in front of the other
Ooh-ooh-ooh (hey!)
One foot in front of the other
Ooh-ooh-ooh (hey!)
One foot in front of the other (hey!)[Post-Chorus]
(In the wilderness)
One foot in front of the other (hey!)
Ooh, all that we have is each other
One foot in front of the other[Outro]
Oh, in the so-called 'Land of the Free'
One foot in front of the other
Don't you know that all we have is each other?
One foot in front of the other
