

# Play It Again

Luke Bryan

[Verse 1]

She was sittin' all alone over on the tailgate  
Tan legs swingin' by a Georgia plate  
I was lookin' for her boyfriend  
Thinkin', "no way she ain't got one"  
Soon as I sat down I was fallin' in love  
Tryin' to pour a little sugar in her Dixie cup  
Talkin' over the speakers in the back of that truck  
She jumped up and cut me off

[Chorus]

She was like, "oh my God, this is my song  
I've been listenin' to the radio all night long  
Sittin' 'round waitin' for it to come on and here it is"  
She was like, "come here, boy, I wanna dance!"  
'Fore I said a word, she was takin' my hand  
Spinnin' me around till it faded out  
And she gave me a kiss  
And she said, "play it again, play it again, play it again"  
And I said, "play it again, play it again, play it again"

[Verse 2]

I'd gave that DJ my last dime  
If he would have played it just one more time  
But a little while later  
We were sittin' in the drive in my truck  
Before I walked her to the door  
I was scannin' like a fool AM, FM, XM too  
But I stopped real quick when I heard that groove  
Man, you should have seen her light up

[Chorus 2]

She was like, "oh my God, this is my song  
We've been listenin' to the radio all night long  
I can't believe that it came back on, but here it is"  
She was like, "come here boy, I wanna dance!"  
'Fore I said a word, she was takin' my hand  
Spinnin' in the headlights she gave me a goodnight kiss  
And I said, "play it again, play it again, play it again"

[Bridge]

And she said, "play it again, play it again, play it again"  
The next Friday night we were sittin' out under the stars  
You should have seen her smile when I broke out my guitar

[Chorus 3]

She was like, "oh my God, this is my song  
I've been listenin' to the radio all night long  
Sittin' 'round waitin' for it to come on and here it is"  
She was like, "come here boy, I wanna dance!"  
'Fore I said a word, she was takin' my hand  
Spinnin' in the headlights she gave me a goodnight kiss  
And she said, "play it again, play it again, play it again"  
And I said, "play it again, play it again, play it again"

[Outro]

Yeah play it again, play it again, play it again  
Somebody play it again, play it again, play it again
