

# He'll Make A Way

## Sam Cooke & The Soul Stirrers

I know the Lord will make a way for me  
I know that my lord will from trouble, someday set me free  
That's why I never will give up the fight  
But I trust in Him to do whatever is right For, oh, the Lord  
He told me He would always make a way  
Make a way, He'll make a way For I am trusting in Your word  
And my weakness make me strong  
But I never will go wrong No, if you leave me I'll be home  
Someday, the Lord will make a way, I know You will Whenever I'm in trouble, for I'm still  
trusting in your word  
And my weakness makes me strong  
But I never will go wrong  
No, if you leave me I'll be home  
Someday, the Lord will make a way, I know you will  
He'll make a way for me
