

# Shattered

Sevyn Streeter

I'm feeling like we're knowing it oh  
Don't know where we went, woah  
Why it gotta come to this for?  
Can't get caught up throwing stones at a glass house If you look in the mirror  
And I look in the mirror  
Ain't nobody perfect  
Ain't nobody perfect  
'Cause you'll keep pointing fingers  
And I'll keep pointing fingers  
It's like we're throwing stones at a glass house  
And it shatters  
What you givin me that look for?  
Baby this ain't nothin but a conversation  
This love ain't fair, locked up, got me feeling like I'm on probation I keep holding on  
I need you to chase me like you chase paper  
Roll with me like you roll the paper  
I'm open if you open  
Open if you open I'm down, down If you look in the mirror  
And I look in the mirror  
Ain't nobody perfect  
Ain't nobody perfect  
'Cause you'll keep pointing fingers  
And I'll keep pointing fingers  
It's like we're throwing stones at a glass house  
And it shatters  
It just shatters  
It keeps shattering  
Nothing matters  
If it's no trust between these hard walls  
And it's all built up on lies and faults Then it shatters  
Know me, squeeze me and hold me  
Then it shatters  
Know me, squeeze me and hold me  
Then it shatters  
Know me, squeeze me and hold me  
Then it shatters  
Know me, squeeze me and hold me Oh oh oh  
Oh oh oh  
Oh oh oh  
Oh oh oh If you look in the mirror  
And I look in the mirror  
Ain't nobody perfect

Ain't nobody perfect  
'Cause you'll keep pointing fingers  
And I'll keep pointing fingers  
It's like we're throwing stones at a glass house  
And it shattersIt just shatters  
It keeps shattering  
Nothing matters  
If it's no trust between these hard walls  
And it's all built up on lies and faultsThen it shatters  
Know me, squeeze me and hold me  
Then it shatters  
Know me, squeeze me and hold me  
Then it shatters  
Know me, squeeze me and hold me  
Then it shatters  
Know me, squeeze me and hold me
