

Friends with You

John Denver

What a friend we have in time
Gives us children, makes us wine
Tells us what to take or leave behind And the gifts of growing old
Are the stories to be told
Of the feelings more precious than gold Friends I will remember you, think of you
Pray for you
And when another day is through
I'll still be friends with you
Babies days are never long
Mother's laugh is baby's song
Gives us all the hope to carry on
Friends I will remember you, think of you
Pray for you
And when another day is through
I'll still be friends with you Friends I will remember you,
Think of you, pray for you
And when another day is through
I'll still be Friends with You
Friends I will remember you,
Think of you, pray for you
And when another day is through
I'll still be Friends with You
