

# Cinema (Laidback Luke Remix)

**Benny Benassi**

I could watch you for a lifetime, you're my favorite movie  
A thousand endings, you mean everything to me  
I never know what's coming, forever fascinated  
Hope you don't stop running to me 'cause I'll always be waiting  
You are my cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are my cinema, a Hollywood treasure  
Love you just the way you are  
My cinema, my cinema  
Get up, get down  
Lose that sound  
My DJ gonna break it down  
Get up, get down  
Lose that sound  
My DJ gonna break it down  
Get up, get down  
Lose that sound  
My DJ gonna break it down  
Get up, get down  
Lose that sound  
Drop the bass  
My cinema  
Stars spell out your name like in a science-fiction drama  
Romance growing like a flower in the summer  
You always keep me guessing, forever my wonder  
Hope you start undressing all my dreams and take me under  
You are my cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are my cinema, a Hollywood treasure  
Love you just the way you are  
My cinema, my cinema  
Get up, get down  
Lose that sound  
My DJ gonna break it down  
Get up, get down  
Lose that sound  
My DJ gonna break it down  
Get up, get down  
Lose that sound  
My DJ gonna break it down  
Get up, get down  
Lose that sound  
Drop the bass  
My cinema  
You are my cinema, I could watch you forever  
Action, thriller, I could watch you forever  
You are my cinema, a Hollywood treasure  
Love you just the way you are  
My cinema, my cinema, my cinema  
My cinema, my cinema, my cinema  
My cinema, my cinema, my cinema  
My cinema...
