

# All I Do

Kirk Whalum

You made my soul a burning fire  
You're getting to be my one desire  
You're getting to be all that matters to me  
And let me tell you girl  
I hope and pray each day I live  
A little more love I'll have to give  
A little more love that's devoted and true  
Cause all I do is think about you  
All I do  
Oh baby  
Is think about you  
Think about you baby  
All I do  
M-m-m-m  
Is think about you  
Baby just suppose I should happen to cross your mind  
And by some chance a boy like me you're really been trying to find  
Well let me tell you girl  
Think of how exciting it would be  
If you should discover you feel like me  
If you should discover this dream is for two  
We'll I'm gonna tell you girl  
I'd light a candle every day  
And pray that you'll always feel this way  
And pray that our love will forever be new  
Cause all I do is think about you  
All I do  
Oh baby  
Is think about you  
I think about you  
All I do yeah, baby  
Is think about you  
Gonna tell you girl  
I'd light a candle every day  
And pray that you'll always feel this way  
And pray that our love will forever be new  
I'm gonna tell you girl  
If I cannot have you for my own  
I'd rather be lonely and all alone  
I'd rather keep thinking the way that I do  
Cause all I do is think about you  
All I do

Oh baby  
Is think about you  
Think about you baby  
All I do  
Oh oh baby  
Is think about you  
I think about you baby  
All I do  
Yeah baby  
Is think about you  
Think about you baby,  
All I do  
Baby, baby, baby, baby, baby  
Is think about you  
All I do is think about you baby  
All I do  
Is think about you  
I think about cha baby  
All I do  
Yeah, yeah, yeah, yeah  
Is think about you  
Oh baby, baby, baby  
I'm thinking baby  
'Bout you baby  
I'm thinking baby  
'Bout you baby  
I'm thinking baby  
Give it to me baby  
I'm thinking baby  
I'm thinking, thinking, yeah, yeah,  
'Bout you baby  
Yeah, yeah, yeah, yeah, yeah get on down  
All I do  
Gotta get on down  
Is think about you  
Whoa whoa whoa get on down  
All I do  
All I do is think about you baby  
Is think about you  
I think about you baby  
All I do  
Oh baby  
Is think about you  
Can you feel can you feel can feel  
All I do  
The fire burning can't you feel the birds humming  
Is think about you  
Think about you baby, oh oh  
All I do

Can't you feel my love flowing  
Can't you see my love growing  
Is think about you  
Oh, all I do is think about you
