

# Let Her Go

## The Kid LAROI

In love with the money  
In love with the money  
In love with the money  
In love with the money What's the call?  
In love with the money, it's "Fuck 'em all"  
Don't you fucked up my bro, I can't fuck with y'all  
I don't want her, unless she gon' do the dawgs  
I got everything I ever prayed for  
Lil' shawty gon' suck it right through the draws  
R.I.P. to the ones I forever lost  
R.I.P. to the money, I ran it up  
If she bad, Michael Jack, I'ma let her know (Know)  
And if she do how she say, then I can't let her go, woah  
I can't let her go (Uh-uh)  
I can't let her go (Uh-uh)  
I can't let her go (Uh-uh)  
I can't let her go (Uh-uh) Yeah, on and on, she go on and on, no, no  
Bitch get up off my motherfuckin' phone, phone, phone  
I be Speaker Knockerz, get these bands on my lone, lone, lone  
I collect the check then fuck it up, woah, woah, woah, woah  
Yeah new Benz, too bad, I'ma see you later shawty  
New friends, new Wraith, fuck about a hater on me  
I do what I do 'cause I am who I am  
Yeah I don't need a reason or an explanation  
And that's just the way it is, the way, the way  
And that's just the way it is, the way, the way  
Young and rich and on my own  
And that's why she keep callin' my phone  
What's the call?  
In love with the money, it's "Fuck 'em all"  
Don't you fucked up my bro, I can't fuck with y'all  
I don't want her, unless she gon' do the dawgs  
I got everything I ever prayed for  
Lil' shawty gon' suck it right through the trousers  
R.I.P. to the ones I forever lost  
R.I.P. to the money, I ran it up If she bad, Michael Jack, I'ma let her know (Know)  
And if she do how she say, then I can't let her go, woah  
I can't let her go (Uh-uh)  
I can't let her go (Uh-uh)  
I can't let her go (Uh-uh)  
I can't let her go (Uh-uh)
