

# Why You Wanna

## T.I.

Hey T.I.P pimpin'  
Hey shorty why you gotta act like that? I'm sayin'...  
I'm just tryin' to be nice to you. Go and tell a nigga no, wit a ass so fat  
Hey why you wanna go and do that love, huh?  
Hey-Hey why you wanna go and do that, do that  
Hey-Hey why you wanna go and do that-that-that  
In a relationship been faithful to a nigga so whack  
Hey why you wanna go and do that love, huh?  
Hey-Hey why you wanna go and do that, do that  
Hey-Hey why you wanna go and do that-that-that... hey-hey.  
Can't help but notice how you glowin' I can see in yo face  
Now I just wonder if he know he close to being replaced  
Swear I treat you like a queen you put me in his place  
So you can give back his ring and the key to his place  
Tell the nigga one thing that you need yo' space  
Selling niggas is one thing you don't need to chase  
I wanna kiss you everywhere between yo' knees and waist  
Hear the sounds that you makin, get yo' knees to shake  
Holla at me in the A, you feel you need to escape  
I gotta mansion and a gate, you wit me you safe  
A Benz, a Phantom and a truck wit 23's the case  
600 Gz in the safe. How much cheese it take?  
This a chance you need to take, ain't no need to wait  
Say the word we can leave today, this somethin' special  
And it feel like fate, hate to make a mistake  
How the same thing makin' you sad makin' you stay  
Go and tell a nigga no, wit a ass so fat  
Hey why you wanna go and do that love, huh?  
Hey-Hey why you wanna go and do that, do that  
Hey-Hey why you wanna go and do that-that-that  
In a relationship been faithful to a nigga so whack  
Hey why you wanna go and do that love, huh?  
Hey-Hey why you wanna go and do that, do that  
Hey-Hey why you wanna go and do that-that-that... hey-hey. Can he touch you like that, and  
make you make you feel like this  
Holla if you came back and it's still like this  
Do he hit it from the back and make you feel it in your chest  
Take advantage of what you concealing in your dress  
What, he think he to fresh to show you that you the best  
Compliment you on your hair and legs and treat you wit respect  
Give you sex till you sweat, tongue kissin' on yo neck  
It's been awhile since she got it like this I bet

I can tell you ain't just another bitch I met  
Ain't nobody got me open like this, not yet  
No, you confused ain't decided which way you should go yet.  
So how you keep sayin' no when your panties so wet?Go and tell a nigga no, wit a ass so fat  
Hey why you wanna go and do that love, huh?  
Hey-Hey why you wanna go and do that, do that  
Hey-Hey why you wanna go and do that-that-that  
In a relationship been faithful to a nigga so whack  
Hey why you wanna go and do that love, huh?  
Hey-Hey why you wanna go and do that, do that  
Hey-Hey why you wanna go and do that-that-that... hey-hey.This nigga playin' mind games man  
I think the time came, that you mind changed you understand
