

From the Ashes of Sin

Endeverafter

Mistakes I've made
There's no turning back the clock
This road is cleared
Stashes all my secret thoughts

Desire sways
Raise a hand inside my heart
This Masquerade has turned me into what I'm not

From ashes to ashes
Look at the burning masses
Beautifully disastrous
From ashes of sin I come alive

I'm on my way
To sacrifice for a new start
I'll take the blame
For the turn of broken hearts

This taste for shame
Has got my twisted into knots
This Masquerade, a moving train that I can't stop

From ashes to ashes
Look at the burning masses
Beautifully disastrous
From ashes to ashes
Look at the burning masses
Beautifully disastrous
From ashes of sin I rise

[Solo]

From ashes to ashes
Look at the burning masses
Beautifully disastrous
From ashes to ashes
Look at the burning masses
Beautifully disastrous

From ashes of sin I come alive

[Solo 2]
