

# Feed the Dada (Radio Edit)

## Dada Life

Da Da

We come into your heart when you're high on love

We come into your mind when you feel the rush

We come into your soul when your god is gone

We come into smile when you want some fun

We come into your feet when you're jumping high

We come into your hands when you want a fight

We come into your legs when you want a run

We come into your smile when you want some fun

...So come on feed the Da Da Da Da Da

So come on feed the Da Da Da Da Da

So come on feed the Da Da Da Da Da

So come on feed the...

BASS DROP

So come on feed the Da Da Da Da Da

So come on feed the Da Da Da Da Da

So come on feed the...

BASE DROP
