

# Love That Girl

Raphael Saadiq

You can tell by her smile she's such a love child  
And every man in this place would love to be in her space  
As the night settles down she'd meet a lot of clever clowns  
And I'll do my best to be better than the rest  
She is so, so sweet and tender  
And I'm glad, so glad we made it girl  
She's so, so sweet and tender  
And I'm glad, so glad we're makin' love  
Oh I, oh I love that girl, oh oh  
Then she walks my way, and said boy I hope your free  
I'm thinking, how could this be? Feels like a dream to me  
Then she gives me this kiss, that gave my whole body a twitch  
See you're just so much more than pretty, gave my heart an eclipse  
She is so, so sweet and tender  
And I'm glad, so glad we made it girl  
She's so, so sweet and tender  
And I'm glad, so glad we're makin' love  
Oh I, oh I love that girl, oh oh  
Darling, I'm so glad we found each other  
Holding hands, kissing, and making love and saying  
She is so, so sweet and tender  
And I'm glad today, so glad we made it girl  
Glad somebody sent you my way, so sweet and tender  
Cause you're so sweet I could never imagine somebody like you  
So glad we're makin' love  
So glad that we're making love baby, sweet and tender  
So glad we made it girl  
So sweet and tender  
And I'm glad, so glad we're makin' love  
Oh I, oh I love that girl, oh oh
