

# Crawling Back to You

Daughtry

Lessons learned and bridges burned to the ground  
And it's too late now to put out the fire  
Tables turned  
And I'm the one who's burning now  
Well I'm doing all right till I close my eyes  
And then I see your face and it's no surprise Just like that, I'm crawling back to you  
Just like you said I would, yeah  
Swallow my pride, I'm crawling back to you  
Yeah, I'm out of my head, can't wait any longer  
I'm down on my knees, I thought I was stronger  
Just like that, like you said I'd do  
Yeah, I'm crawling back to you  
Time can heal, but the scars only hide the way you feel  
And it's hard to forget how I left you hanging  
Holding by a thread, when everything is said  
I regret it  
Yeah I was doin' all right, thought I could make it  
Then I see your face and it's hard to fake it Just like that I'm crawling back to you  
Just like you said I would, yeah  
Swallow my pride, now I'm crawling back to you  
Yeah, I'm out of my head, can't wait any longer  
I'm down on my knees, I thought I was stronger  
Just like that like you said I'd do  
Yeah, I'm crawling back to you If you could find a way to give everything, I know you would  
And I would take it all back if only I knew that I could Lessons learned and bridges burned to  
the ground  
And it's too late now to put out the fire  
Just like that I'm crawling back to you  
Just like you said I would, yeah  
Swallow my pride, I'm crawling back to you  
Yeah, I'm out of my head, can't wait any longer  
I'm down on my knees, I thought I was stronger  
Just like that like you said I'd do  
Yeah, I'm crawling back to you  
Yeah, I'm crawling back to you  
Ohhh, yeah, yeah!  
Oh!  
Crawling back to you  
I'm crawling back to you
