

Open Your Eyes

John Legend

[Produced by Boogz N Tapes, Darhyl Camper, Dave Tozer & Kanye West]

[Verse 1]

I see you in the lonely place
How can you be so blind
You still regretting the love you left, left behind
Oh darling, I seen you go through the changes
Sitting alone each night
Are you expecting to find the love, love that's right

[Hook]

Darling open your eyes
Let me show you light
Girl you never find a love that's right
Darling open your eyes
Let me show you the light
Girl you think you're so wise, you're so wise

[Verse 2]

There are times when you need someone
I will be by your side
I'll take my chances before they pass, pass me by
Oh darling, there is a light that shines
Special for you and me
You need to look at the other side, you'll agree

[Outro]

Darling open your eyes
Let me show you light
Girl you never find a love that's right
Darling open your eyes
Let me show you light
You may never find a love that's right
Darling open your eyes
Let me show you light
You may never find a love that's right
Darling open your eyes
Let me show you the light
Girl you think you're so wise

You may never find a love that's right
