

# Leave

## Tyrese

1]

I'm lost for words, nothing left to say  
I know you're hurt  
So I won't beg you to stay, no You know as well as I do  
That girl I really love you  
And I wouldn't last a day if you ever, ever left me  
Girl don't take this the wrong way,  
I'm not begging you to stay  
But the truth is. If you ever leave  
I would be, I would be helpless You would be, you would be hopeless  
Oh, I'm like a sea, sea without a beach  
What would our life mean, tell me?  
Is it worth nights with no sleep,  
Bed with cold sheets  
Waking up without me, baby. I don't wanna see what that would be So please,. baby don't  
leave I'm feeling anxious now  
Cause it can go either way  
If I'm honest with myself girl, Got me feeling real crazy  
And I know I played the party  
And them cancers gotta heal, baby And I wouldn't last a day if you ever, ever left me  
Girl don't take this the wrong way, I'm not begging you to stay  
But the truth is.  
If you ever leave  
I would be, I would be helpless  
You would be, you would be hopeless  
Oh, I'm like a sea, sea without a beach What would our life mean, tell me? Oh.  
Is it worth nights with no sleep,  
Bed with cold sheets Waking up without me, baby  
I don't wanna see what that would be  
So please, baby don't leave Now I know that I May not have the right words to say  
But my actions don't lie,  
Can't you see I'm changing everyday, baby  
The further that you go away, The more and more this heart's gon' break  
No I wouldn't last a day if you ever, ever left me  
So don't take this the wrong way,  
I'm not begging you to stay  
But the truth of it is.  
If you ever leave  
I would be, I would be helpless  
You would be, you would be hopeless  
Oh, I'm like a sea, sea without a beach  
What would our life mean, tell me? Oh

Is it worth nights with no sleep,  
bed with cold sheets  
Waking up without me, baby  
I don't wanna see what that would be  
So please, baby don't leave Cause I can't do it without you  
Just the thought of rolling over and you're not there Drives me crazy bay  
Baby baby
