

Young Again

Paul Banks

Time is disgraceful
We're all just watching as things fall apart
And silence seems wasteful
When I know what's coming for me in the dark I'm young again
Thanks a lot
I'm young again
Ra, ra Jobs are disgraceful
They tick like suffering from a clock
I sized my potential
It just seemed small in the wrong box
Cuz I'm young again
Thanks a lot
I'm young again
Ra, ra
Thanks for my spot
Feed me, sonar
Lead me so far
Feed me, sonar
You need me so far
