

Modern Jesus

Portugal. The Man

Come on in
Take a seat next to me
You know we got
We got what you need We may be liars
Preachin' to choirs
But we can
We can sell your dreams You don't need sympathy
They got a pill for everything
Just take that dark cloud
Ring it out to wash it now Don't pray for us
We don't need no modern jesus
To roll with us
The only rule we need is never givin' up
The only faith we have is faith in us
We're the one's who start little fires
Yet they burn out
But when they're on the rise
It can't help but shine And when the wave approaches
Take our ashes to the ocean
Who cares if hell awaits
We're having drinks and heaven's cakes Don't pray for us
We don't need no modern jesus
To roll with us
The only rule we need is never givin' up
The only faith we have is faith in us We know that we're helpless
At least we always assume
But we don't need to prove nothin' to you
Let's keep it cool
You don't need to feel blue
Cause we wont sell you nothin'
You can't use
Don't pray for us
We don't need no modern jesus
To roll with us
The only rule we need is never givin' up
The only faith we have is faith in us
