

Billie

Miss Crazy

I'm down by the lake

But I can't stay that far from you

Won't hesitate

I don't wanna live my life with you

as hot as you are

as hard as it gets

this ladys gonna break me

babys gonna shake me

billy wheres your mother

ooh shes gonna shake it tonight

billy wheres your cries

cryin on the inside

I'm feelin the shake

this mommy is a different kind of you

I won't hesitate

to take her around back and make time for you

as hot as you are

as hard as it gets

babys gonna shake me

this lady is gonna break me

billy wheres your mother
ooh shes gonna take me tonight

billy where your cries
cryin on the inside

billy wheres your mother
ooh she is gonna take it tonight

billy wheres your cries
cryin on the inside

billy wheres your mother
ooh she is gonna shake it tonight

billy wheres your cries
cryin on the inside
