

# Cut Her Off (feat. 2 Chainz)

## K CAMP

It ain't nothing to cut that bitch off  
It ain't nothing to cut that bitch off  
So what you saying hoe?  
You Know I'm the man hoe  
Nothing but a bird I'mma leave you where you stand, hoe  
Heard you got a man hoe  
Hope he understand though  
You ain't nothing but a creeper baby, I'm just saying, though  
Saying, though  
It ain't nothing to cut that bitch off  
It ain't nothing to cut that bitch off  
Creeping on the low, hope your man don't see  
She will bust it down for some damn Lime-A-Ritas  
Chew me like some bubblegum, something like Rasheeda  
Gotta get my partner some, she on me like Adidas  
Baby, you can't hold back, I'm flexing like you not  
Your man tryna patrol that I guess he is a cop  
But he really can't cuff if he busting at my spot  
But I done had enough cause you making my shit hot  
Blowing up a nigga phone, what I tell yo ass 'bout that?  
Tryna hold something, hold my nuts, can you do that?  
Can't be playing around with that mouth while he hit it from the back  
You can't say nothing now cause we all been through with that, through with that  
It ain't nothing to cut that bitch off  
It ain't nothing to cut that bitch off  
So what you saying, hoe?  
You Know I'm the man, hoe  
So what you saying, hoe?  
You Know I'm the man, hoeBaby I'm ashamed, why you acting this way?  
Yeah she 'bout that action, you can bring her this way  
Hit her on your mattress, make you feel some type of way  
Pass her to my migos, they gone bust it, ¡Andale!  
Please don't play no games cause I know that's what you like  
Knock it out the frame, baby girl, it's alright  
Yeah that pussy bomb, I just call it dynamite  
You ready? Here I come, I can do this shit all nightIt ain't nothing to cut that bitch off  
it ain't nothing to cut that bitch off  
So what you saying hoe?  
you know I'm the man hoeNothing but a bird I'mma leave where you stand hoe heard you got a  
man hoe hope he understand though you ain't nothing but a creeper baby I'm just saying though  
saying thoughIt ain't nothing cut that bitch off

it ain't nothing cut that bitch off
