

Stupify

Disturbed

Yeah, bringing you another disturbing creation
From the mind of one sick animal
who can't tell the difference
And gets stupified I've been waiting my whole life for just one (Fuck!)
And all I needed was just one (Fuck!)
Well can you see that you don't give a (Fuck!)
I find myself stupified, coming back again
All I wanted was just one (Fuck!)
One tiny little innocent (Fuck!)
And when I feel like I'm sheer out of (Luck!)
I find my stupified, coming back again
Why do you like playing around with
My narrow scope of reality?
I can feel it all start slipping
I think I'm breaking down Why do you like playing around with
My narrow scope of reality?
I can feel it all start slipping away See but I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?
I get stupified
It's all the same you say
Live with it
But I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?
I get stupified
I get stupified
All the people in the left wing (Rock!)
And all the people in the right wing (Rock!)
And all the people in the underground (Rock!)
I find myself stupified, coming back again
All the people in the high rise (Fuck!)
And all the people in the projects (Fuck!)
And all la gente in the barrio (Fuck!)
I find myself stupified, coming back again Why do you like playing around with
My narrow scope of reality?
I can feel it all start slipping
I think I'm breaking down Why do you like playing around with
My narrow scope of reality
I can feel it all start slipping away See but I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?

I get stupified
It's all the same you say
Live with it
But I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?
I get stupified
I get stupifiedTefached
TefachedAnd don't deny me
No baby now, don't deny me
And darlin' don't be afraidBut I don't get it
Don't you think maybe we could put it on credit?
Don't you think it can take control when I don't let it?
I get stupifiedLook in my face, stare in my soul
I begin to stupify - rah!
Look in my face, stare in my soul
I begin to stupify - rah!
Look in my face, stare in my soul
I begin to stupify - rah!
Look in my face, stare in my soul
I begin to stupify - rah!
Look in my face, stare in my soul
Look in my face, stare in my soul
Look in my face, stare in my soul
Look in my face, stare in my soul
Look in my face! (Stare into my soul)
Look in my face! (Stare into my soul)
Look in my face! (Stare into my soul)
I begin to stupify - rah!
