

# I Told You So

Karmin

Is it time, green light  
Egotistic battle cry  
I was right, you was wrong  
Called you out, finished strong  
Whiskey sour lemonade, fences at my barricade  
I had heart, you had spades  
I could see the color in your face as it fades  
That's how it is, ain't no riddle  
Crunchy on the edge but soft in the middle  
I got a lot, you got a little  
I'mma play war drums, you play the fiddle  
Play it real slow, lean on the bow  
Everybody's sad when they miss a free throw  
Lost your control, I'm on a roll  
Right all along and I knew it in my soul  
I told you so  
Don't wanna brag, but you already know, oh-oh  
I told you so  
Don't wanna brag, but you already know  
You already know  
I told you, I told you  
I told you so, oh  
I told you, I told you I told you so Feels so good, doesn't it?  
Winnin' while they flubbin' it  
I was right, you was wrong  
Figured I'd write it in a hip hop song  
Was it so hard, to believe  
I can make it being me?  
Drank too much, ouzo  
My gosh, you know  
People say a lot of things, make you feel real small  
Push them out the way, iced latte tall  
I don't really care, I'm already there  
Caffeinated up to my eyes I swear  
I'm on the top, you on the flop  
Going so long, and I'm never gonna stop  
Lost your control, I'm on a roll  
Right all along and I knew it in my soul I told you so  
Don't wanna brag, but you already know, oh-oh  
I told you so  
Don't wanna brag, but you already know  
You already know

I told you, I told you I told you so, oh  
I told you, I told you  
I told you so Look at me now, fifteen rounds  
Bottle in my hand, pour a little on the ground  
Next time you wanna talk trash I'mma put it on blast  
You can get it if you ask for it  
Put it in the middle finger of the fat ladies singing out  
Shatter every glass house, ni hao  
Meanwhile, I smile  
Then I go animal style  
I be racking up another million  
Making me another killin', superwoman  
on a top dollar bill  
Yeah, I must have hella lot of feelings  
Tell me what you really think about it  
Kidding, I don't even care  
Nobody listens to a fool  
Go put a hater be a baller  
not a traitor please Hand me on my knees  
Talk to you later then I'm gonna  
Whoop there goes!  
Right all along and I knew it in my soul I told you so (I told you so)  
Don't wanna brag, but you already know, oh-oh  
I told you so (I told you so)  
Don't wanna brag, but you already know  
(I told you so)  
I told you so  
Don't wanna brag, but you already know  
You already know  
I told you, I told you  
I told you so, oh  
I told you, I told you  
I told you so
