

Who Wants to Live Forever

Dune

There's no time for us
There's no place for us
What is this thing that builds our dreams, yet slips away from us
Who wants to live forever
Who wants to live forever
Who There's no chance for us
It's all decided for us
This world has only one sweet moment set aside for us
Who wants to live forever
Who wants to live forever
Who But touch my tears with your lips
Touch my world with your fingertips
And we can have forever
And we can love forever
Forever is our today
Who wants to live forever
Who wants to live forever
Who Who waits forever anyway...
